

Westland Elementary PTA Fundraiser September 24 – October 16

We had a very successful fundraiser last year selling chocolate! Thank you for all of your hard work! This year, we needed a fundraiser that both in-school and at-home learners could participate in. So, we've decided to host a direct donation fund drive. We've teamed up with FundHub, an online, mobile-friendly fundraising platform, to make the fundraising experience as simple as possible for our Westland families. Using online student fundraising webpages, FundHub allows us to accept credit/debit card donations from all over the world, in addition to cash and checks. We hope you like it!

We Need All Parents to Complete 3 Easy Steps!

1. **Register your child** by visiting www.getmovinfundhub.com or scanning the QR code to the left, and complete your child's webpage. It's free, easy, and fast to register! If you have more than one child at Westland, you can register and request donations as a family.
2. **Make an online donation** using the red donate button.
3. **Share with friends and family.** They want to help. Using the share tools on your parent dashboard, simply send 5-15 emails and/or text messages, then share on Facebook or Twitter. The average parent has 300 Facebook friends. You'll be surprised when donations come in from distant relatives/friends and co-workers.
