

Welcome, military families, and thank you for your service!

Westland Elementary is a very special place, and we are excited to welcome your child to the Wildcat family!

We understand that transitioning to a new school can be a challenging and stressful time for military students, and we want to make that process easier.

Upon enrollment at Westland, you will be given a welcome packet with information about the school and resources that might be helpful to you during your transition. You and your child will be given a tour of the school by our 5th and 6th grade student council representatives. At this time, your child will be given a school t-shirt and book to warmly welcome them to the Wildcat family.

We hold a large Veteran's Day assembly every year to honor our veterans, and we welcome active duty service members to participate as well. Please let the front office know if you'd like to join us.
