Agenda overview: Two budgets talked about including the School Land Trust (with signatures/voting) and TSSA fund distribution.

TSSA funds: Three different purposes and allocation is 81,000 which includes instructional coach (50% or ~50,000K).

- 1) Coaching
- 2) School-wide culture (vision)
- 3) Professional Development
 - Portion of the money for Yvette Smith will be allocated to augment her salary for the coming school year (13,000K)
 - Solution Tree Conference (7,000K)
 - Teacher PD/Coaching cycles stipend for 300\$ (10,000K total)
 - Olena Bradford is the instructional coach and her role is multifaceted, building off of strengths and needs
 - Coaching cycles, Tech. Tuesdays, Walk to Read, content reflection
 - **Left over to attend to: 1,229.35\$**

Land Trust Plan:

- Goal set and money spent in support of that goal
 - At least 50% of students will show growth in math by the end of the year
 - District benchmark data, RISE summative data, Acadience reading data
 - 17 hour aide will help with data
- 1) One 17 hour aide (Nikki) will help with math interventions and will be a valuable resource for math support
- 2) Two more 17 aides will help with reading support/interventions
- 3) One 17 will help in classrooms and will facilitate small group support
- Estimated cost: 36,000\$

- **State Goal/Growth measure #1:** At least 50% of students will achieve growth in reading and math
 - Discussion of growth percentage set for reading and math with standardized data
 - **Goal #2:** Provide students with technology they need to access learning tools to meet their academic goals
 - Provide (90) chromebooks with licenses, software, and charging stations
 - Cost: 36,000K
 - Students receive annual, state-approved digital literacy training

- Move to approve the Land Trust Plan, second from Rachelle Mann
 - Vote: Any opposed? NO

- Lost and found “Mess” by the cafeteria:
 - Ideas: rolling carts, hang up coats in the Walk to Read room

- We may potentially meet in May if the chair chooses
 - Our SCC is akin to a “parent council”
 - Idea to extend process to parents to voice concerns, comments, etc.
